

IT EXPO EXHIBITOR, PRESENTATION AND SPONSOR OPPORTUNITIES

Dear Information Technology Product and Service Providers,

In today's competitive IT world, efficient visibility to the correct target audience is essential to achieving market share and sales goals.

On Thursday, May 7, 2010, IT Expo Seattle 2010 will launch as the Pacific Northwest's newest and most complete medium for interacting with current and future clients.

Produced by Gonzalez Marketing LLC, IT Expo Seattle 2010 provides an effective and efficient forum for IT providers to showcase the very latest in business information technology to an enthusiastic audience of IT decision makers.

IT Expo Seattle 2010 will feature 30,000 square feet of IT industry exhibits, 30 50-minute presentations delivered by experts on the very latest in IT services and products, a welcome breakfast event, a luncheon event with keynote, a complete website with industry news and links to sponsors and exhibitors, webcasts of key presentations, an event guide, gift bags for VIP attendees and more.

For sponsors, presenters and exhibitors, IT Expo Seattle 2010 provides high image and branding visibility in an exclusive business environment, exposure to current and new customers, opportunities to delivery informative hands-on demonstrations, direct interaction with key market decision makers, and new collaborations with IT industry colleagues.

For attendees, IT Expo Seattle 2010 provides a complete, one day event focused on learning about the latest in time- and money-saving IT products and services, how to maximize utility of current systems, opportunities to ask direct questions to industry experts, see systems in action, and make direct contact with service and product suppliers.

Attendance at IT Expo Seattle is limited to CEO/CIO/CFO/management level decision makers, IT Systems administrators and IT industry professionals. IT Expo Seattle 2010 is free to qualifying attendees and advance registration is required. For more information on exhibiting, presenting and sponsorship at IT Expo Seattle 2010, please contact us at

Thanks and we look forward to your participation.

Sincerely,
Stephen L. Gonzalez
